Join us for the Adult Winter Book Bingo Challenge!

How to participate?

Adults (18 and older) with a Hudson Public Library card are eligible to participate. Get your bingo card from the library or print it off from the library website and decide which squares you want to complete to make a bingo. First bingo earns a free new or gently used book off our book sale; second bingo earns a bookmark; and a third bingo earns an item purchased for the library, by the library, in your honor. If you're feeling really ambitious, a blackout bingo is an option and earns you a special prize! Every time you complete a square, fill in the blank with what you read or did.

How much time do you have to complete this card?

Our winter reading program will run during the months of January, February, and March.

Why should you play?

Because it is fun to try something new and challenge yourself! Take this opportunity to read something new, attend a program or event, or try out a different service or format. You might be surprised at what you can discover at your library! Of course, the opportunity to earn prizes is also a good reason to play.

What do you do with the card when finished?

Bring the card into the library on or before April 4 and show us your bingos. You can pick up your prize after each bingo or all at the end.

We hope this is a fun opportunity for you to discover new things at the Hudson Public Library. If you have any questions, call us at 319-988-4217, email us at staff@hudson.lib.ia.us, or stop by the library.

Bingo cards will be available at the check-out desk starting January 1, 2025.
